NASA Aviation Safety Reporting System

Re: CHS Runway 15/33 Closure NOTAM Procedures

We recently received ASRS reports describing a safety concern that may involve your area of operational responsibility. We do not have sufficient details to assess either the factual accuracy or possible gravity of the report. It is our policy to relay the reported information to the appropriate authority for evaluation and any necessary follow-up. We feel you should be aware of the enclosed deidentified report.

To properly assess the usefulness of our alert message service, we would appreciate it if you would take the time to give us your feedback on the value of the information that we have provided. Please contact Dr. Becky Hooey at (408) 541-2854 or email at becky.l.hooey@nasa.gov.

EVENTS

Anomaly	Deviation / Discrepancy - Procedural - Published Material / Policy
Detector - Person	Dispatch
Result - General	None Reported / Taken

NARRATIVE 1

In CHS for today, runway 15/33 is closed but it is not in their NOTAMs. I called to confirm and spoke with Person A. He said that they do this every month and for the last XX years he has been there, they have never done a NOTAM for that. He said "That's the way we've always done it" and it's published in the airport facilities and people should just know. I told him they should put out a NOTAM for it.

SYNOPSIS

Air carrier Dispatcher reported CHS Runway 15/33 was closed without an appropriate NOTAM issued.
